

To Whom It May Concern,

I am a Flight Attendant with Independence Air and I am strongly opposed to cell phone use in the cabin for the following reasons.

- There is no hard evidence that cell phone use doesn't interfere with navigational instruments.
- Cell phone use would enable terrorists to coordinate a plan of action more effectively.
- The NPRM would leave it up to flight attendants to police the use of cell phones onboard the aircraft compromising our ability to maintain a safe, secure cabin environment and to conduct emergency evacuations.
- It would make an already tense cabin environment even more stressful.

Thank you for your time.
